

Welcome to Ring Around the Rosie Preschool & The Red Room

As your child's first day of Pre K is approaching, I would like to take the time to introduce myself. My name is Nadine King and I will be your child's head Pre K teacher in the Red Room for the 2015-2016 school year. I have worked here for the last year part time in the afternoons and now full time for summer program, and have gotten to know the children well. I am a mother of two; my daughter Hayley is 17 years old and also works here in the afternoons. She is a senior at Toms River High School East and will be studying teaching as college approaches for her next year. My son Tyler attends Rutgers University as an economics major. I also attended and graduated from RU with a major in nutrition and foods and a minor in early childhood education. I have many years' experience in the childcare industry both in preschool/daycare settings, and in private home babysitting. I also have experience in the food service management industry and worked as the director of the school lunch program in the Berkley Township School District. I hope to incorporate my experience, knowledge and love of children into a wonderful school year for your children. I am looking forward to and excited about teaching this Pre K class of 2016.

This year will be a fun and educational adventure. Each week your child will have a letter of the week along with a color, number and shape. We will be doing projects, reading stories, and interactive poems and songs for each weeks lessons. Throughout the year will will also have review weeks and have fun with the holidays. We will be having "Show and Tell" weekly; the days will be changing monthly so every child will be able to participate. I also will be introducing a fun with science day once a month where we will do an age appropriate experiments as a class. You will receive a monthly Red Room newsletter to keep you up to date with the lessons, special events and any important dates.

I am looking forward to working with you and your child. If you have any questions or concerns, please feel free to call the school. The staff and I are here to help.

Sincerely,
Miss Nadine
