

September 2017 Red Room Newsletter

Dear Parents and Guardians,

Welcome to the Red Room Pre-K Class of 2017. We are excited about the new school year. We will have show and tell weekly. Our first show and tell will be on Monday, October 2nd. You are welcome to have your child bring something they would like to show and talk about. We will rotate show and tell monthly so that every child has a chance to participate and learn about each other. Please remember to label all of your child's belongings. Please check your child's cubby daily for items that are to be sent home. We will have a star of the week student on a weekly basis -- details to follow. Your child will experience colors, shapes, numbers, letters and Key Development Indicators in our math, reading, writing, art, science, pretend play, and block building centers. Their daily lessons will be reflected from their learning through play, and teacher support. We will incorporate "All About Me" Books to get to know each other. Our family tree will be as well displayed on our front wall to help involve your families and represent the Fall season to be highlighted this month.

If there is anything to help your child's transition into their new room and teachers, please let us know. If we are all supportive and work together, we can meet our goal of happy healthy children. All newsletters and any Ring Around The Rosie information can be found on our website. Let the memories begin!!

Thankyou,
Miss Nadine

Dates to Remember:

October 17 - Back to School Night

October 31- Halloween Party
